

# Biennial Budget Basics

## Wisconsin's Current Condition & Future Prospects

**5:00 to 6:30 p.m.  
Monday, May 5**

**UW Oshkosh  
Alumni Welcome  
and Conference  
Center**

**Bob Lang**

Director  
Legislative Fiscal  
Bureau

**Context:** Elections this fall (Nov. 4) for governor and members of the Wisconsin Legislature will oversee the development and implementation of Wisconsin's 2015-2017 biennial state budget. **By attending this session, campus and community advocates will gain information, insight and perspectives relating to the state's current fiscal condition.**

Wisconsin's budget has a direct impact on state spending (including higher education and K-12 schools) that impacts the operational budget for local government and other important public services.

- ❖ *If you are confused by Wisconsin's biennial state budget process ...*
- ❖ *If you want to know more about how state spending impacts all of us ...*
- ❖ *If you want to know the truth about the state's current fiscal condition and future prospects...*

***.....this is the session for you.***

*Held at the Newly Opened*

Alumni Welcome and Conference Center *(park Lot 6 adjacent to the new facility.)*
